

## D2 Landscaping: Landscaping and Hardscaping Capabilities Statement

At D2 Landscaping, we are dedicated to transforming outdoor spaces into breathtaking landscapes that exceed expectations. With a meticulous focus on craftsmanship, innovation, and client satisfaction, we offer comprehensive landscaping and hardscaping services tailored to meet diverse needs. Our team of skilled professionals combines artistic vision with technical expertise to bring your outdoor dreams to life.

### CORE SERVICES:

#### Landscaping Design and Installation:

- Customized landscape design tailored to your preferences and property features.
- Expert installation of plants, trees, shrubs, and other greenery to enhance the beauty and functionality of your outdoor space.
- Sustainable landscaping practices to conserve resources and promote environmental stewardship.

#### Hardscaping Design and Construction:

- Design and installation of hardscape elements including patios, walkways, concrete, and retaining walls.
- Utilization of premium quality materials such as natural stone, pavers, and decorative concrete for lasting durability and aesthetic appeal.
- Seamless integration of hardscape features with existing landscape design for a cohesive and harmonious outdoor environment.

#### Water Features and Irrigation Systems:

- Design and installation of water features such as ponds, fountains, and waterfalls to add tranquility and visual interest to your landscape.
- Implementation of efficient irrigation systems tailored to your property's unique layout and vegetation requirements.
- Regular maintenance and repair services to ensure optimal performance and longevity of water features and irrigation systems.

#### Outdoor Living Spaces:

- Creation of functional and inviting outdoor living areas including kitchens, fire pits, seating areas, and entertainment spaces.
- Incorporation of lighting, heating, and audiovisual elements to extend the usability of outdoor spaces throughout the day and across seasons.
- Attention to detail in design and construction to maximize comfort, convenience, and aesthetic appeal.

### ADDITIONAL SERVICES:

#### Landscape Maintenance:

- Tree Trimming, pruning, mulching, and fertilization to preserve the health and beauty of your landscape.
- Seasonal clean-up services including leaf removal, debris clearance, and winterization to maintain a polished appearance year-round.

#### Hardscape Repair and Restoration:

- Prompt and professional repair services for damaged or deteriorating hardscape features to restore their functionality and appearance.
- Comprehensive restoration solutions to revitalize aging or neglected hardscape elements and enhance the overall appeal of your outdoor space.
