

SWC

WHOLESALE CONSTRUCTION SUPPLY

Service With Commitment

SWC has provided building, construction, maintenance, and speciality supply products and services to the construction industry since 1993. We specialize in procurement, sourcing, warehousing, and excellent customer service for a wide variety of industrial products. Our geographic reach currently includes Ohio, Kentucky, Georgia, Florida, North and South Carolina, West Virginia, Alabama, Mississippi, and Tennessee.

Contractors, state, local, and federal agencies have put their trust in **SWC** for over three decades for our outstanding customer service, product procurement, sourcing capability and our 100% on time delivery record.

Core Capabilities:

Product Procurement and Sourcing, Warehousing and Delivery Services, Lines of Diversified Products, Excellent Customer Service, and Timely Invoicing

Products:

Steel/Rebar, Roofing Materials, Culverts, Underground Utility Materials, Paint, Precast Concrete, Aggregate Materials, Plumbing Fixtures, Architectural Metals, Ductile Iron, PVC, and Reinforced Concrete Pipe, Speciality Products, etc.

Industries we Serve:

Speciality Contractors, Building & Highway, New Construction

Differentiators:

Value-Added: One company offering a wide range of products eliminates the need to juggle multiple suppliers

Consolidated Invoicing: Our environmentally conscious business practices result in shorter invoice processing time and reduced paper waste

Logistics Support: We can warehouse products for you and deliver to the job site when you need it

Location: Geographically located to support major commercial development projects with prompt delivery
